CERAM NEGAR TILE

Ceram Negar Tile, has been operated in 2017 in Kaveh industrial city, with an annual capacity of 5 million square meters, production of Wall & Floor tile with the most advanced technology in Eroupe.

This innovative company was established with the aim of promoting the industrial capabilities and self-sufficiency of the country, entrepreneurship development, job creation and relying on the initiative of Iranian and international experts to offer a variety of ceramic tile products and tries with its continuous and colorful presence in Modern design and construction in the domestic and foreign markets to bring the words of construction and industry to a different color. We are proud to inform you that we have some of the biggest clients in the Middle East and currently exporting to more than 13 countries.

The background is a dark, textured surface with a marbled or stone-like pattern. A solid dark horizontal band runs across the upper portion of the image, serving as a backdrop for the text.
